Part of Indiana's Back to School Summit

A Parent's Resource: Learning Through Change

Indiana Youth Institute is pleased to offer **a virtual training for Hoosier parents .**

Join us, your community and parents from across the state to learn about ways to address common issues and concerning trends of today's youth. Topics include:

- Psychological effects of the COVID-19
- Meeting your child's emotional needs
- Building resilience and thriving during stressful times

For more information, [click here](#).

Sign up to attend or to receive access to a recorded version of the event.
