Student Dissertation Research and Advising:

Completed Dissertations: 138 = 4 at WVU + 128 at IU (44 Chair) + 6 at other universities

Current Dissertations: 18 = 7 as Chair or Director + 11 as Member

Completed Master's Theses: 2 = 2 as Chair (1 at WVU; 1 at IU)

Sample of Recent Research Activity:

1. **Self-Directed Language Learning Online:** Exploring self-directed learning practices of adults learning languages online via Duolingo.
2. **Massive Open Online Courses (MOOCs) Instructor Considerations and Challenges, Personalization and Cultural Sensitivity:** Researching MOOC instructor personalization and cultural sensitivity in a MOOC; also MOOC instructor PD, instructional design considerations and practices, motivation, challenges, etc, MOOC instructor career development, engagement, self-directed learning, etc.
3. **Self-Directed Online Learning and Open Education:** In a mixed methods design, we are looking at the motivations, successes, challenges and obstacles, and life changes from access to OpenCourseWare (OCW), open educational resources (OER), and massive open online courses (MOOCs). Also conducting SDL studies of online language learning with Duolingo and a study of teenagers on Nepal accessing MOOCs to learn English and much more.
4. **Open Educational Resources (OER):** Researched OER use in China and people around the world pushing the open education movement.
5. **Social Networking Analyses of Twitter Interactions in Field of Educational Technology:** Attempting to understand interrelationships in the job market among five disciplines, educational technology, educational design, instructional design, learning design, and instructional systems by analyzing Twitter postings.
6. **Flipped Learning Approaches:** Explored how MOOC content could be used to flip the classroom in China and also looking at the flipped classroom model in Korea and Singapore, including student engagement, self-efficacy, and social presence in large university classes.
7. **MOOC Gamification:** This study explores instructors' perceptions, interest, self-efficacy, perceived barriers, and support needs regarding the use of gamification in MOOCs
8. **Synchronous and Asynchronous Online Learning and Computer-Mediated Discourse Analysis (CMDA):** Various studies over the past 20 years on the depth of discussion, the types of online moderation and interaction, and comparing difference CMDA techniques.
9. **Informal/Nontraditional Learning:** Exploring how people learn or teach from informal learning tools and resources. What are their motivational goals, challenges, etc. Is it possible to document life change?
10. **Systematic Review of the Research on Self-directed Learning in MOOCs:** Reviewing the research on SDL in MOOCs.

Technology Used in Teaching and Research:

1. **Course Management Systems:** Canvas, WebCT, Blackboard, CourseSites from Blackboard, Oncourse, Sakai, e-education, Virtual University, Nicenet.

- 2. Synchronous Computer Conferencing Systems:** Zoom, Breeze (now Adobe Connect Pro), WebEx, CU-SeeMe, Blackboard Collaborate, Wiz IQ, various others.
- 3. Asynchronous Computer Conferencing Systems:** SiteScape Forum, e-Board, e-groups, Nicenet, COW, WebCrossing, FirstClass, Oncourse, Canvas.
- 4. Wikis:** Wikispaces, Wikibooks, Wikispaces, PBworks, etc.
- 5. Online Shared Video Tools and Resources:** YouTube, TEDx, TubeChop, Jamboard, Padlet, Miro, etc.
- 6. Other Interactive Technology Tools:** Sli.do, Kahoot!, Flipgrid, etc.

Produced and Hosted Online Video Series for Teaching Online, Indiana University, School of Education

Designed and produced a series of 27 brief (7-10 minute) videos related to teaching online. This highly popular video (or video podcast) series, “*Video Primers in an Online Repository for e-Teaching and Learning*” (V-PORTAL), covers topics for both novice and more expert online instructors and educators. Watch them and learn how to engage learners with Web 2.0 technologies, build instructor presence, prepare highly interactive and relevant online activities, access free and open course resources, plan for the future of e-learning, and much more.

“Video Primers in an Online Repository for e-Teaching and Learning” (V-PORTAL)
