Actionable Innovations Global Community Notes

We connect and empower education-focused professionals through professional learning and networking opportunities.

Opening Keynote Panel - November 20th

You are cordially invited to attend the third annual Global Learning for the Open World (GLOW) Conference! This virtual global education conference will take place around the clock on November 20-21, 2024.

We're particularly excited about our opening panel, featuring some of the world's foremost education experts, including:

- <u>Dr. Chris Dede</u>: Senior Research Fellow, formerly the Timothy E.
 Wirth Professor in Learning Technologies, Harvard University
- <u>Dr. Curtis Bonk</u>: Professor, School of Education, Indiana University

- <u>Dr. Punya Mishra</u>: Director of Innovative Learning Futures at the Learning Engineering Institute and Professor, Mary Lou Fulton Teachers College, Arizona State University
- <u>Dr. Lydia Cao</u>: Postdoctoral Fellow, Ontario Institute for Studies in Education (OISE), University of Toronto
- <u>Dr. Yong Zhao</u>: Foundation Distinguished Professor, School of Education, University of Kansas

Don't miss this opportunity to gain insights from these leading voices in education. Please mark your calendars and join us for an unforgettable start to GLOW 2024!
